INTERNSHIP EXPERIENCE

Now IT Systems, Feb 23-April 23	<p>UI/UX Design:</p> <p>Assignment was to create responsive and user-friendly wireframes. As a UI/UX design intern, I designed the user interface of the company website by conducting research, creating wireframes and prototypes. I focused on user-centered design and collaborated with the development team to implement the design. This provided valuable experience in UI/UX design, user research, and team collaboration. Reported to Mr. Akshay Dileep, Sr. Consultant, Now IT Systems.</p>
